

## Children's Miracle Network

Service, one of the four points of the crown, has always been important to contestants striving for the opportunity to be Miss America. To build on this, Miss contestants competing at the local level in the Miss America system are required to raise a minimum of \$100 to support Children's Miracle Network and the Miss America Scholarship Fund. This is not an entrance fee, but rather a service requirement to participate in Miss America sponsored pageants. Our goal is to raise funds and awareness for the Children's Miracle Network. *The \$100 can be sponsored by any organization, business, or group of individuals.*

***There will be a special award given to the individual who goes above and beyond this requirement for Children's Miracle Network.***

Before participating in local, state and national Miss America pageants, each contestant will log onto [www.missamerica4kids.org](http://www.missamerica4kids.org) to create her personal fund raising web page and set a fund raising goal (minimum \$100 local, \$250 state, \$500 national). Once registered, contestants will e-mail friends and relatives to ask for donations to support Children's Miracle Network and the Miss America Scholarship Fund. Friends and relatives will then log on to their contestant's personal fund raising web page to make secure online donations using a credit card.

To get started go to [www.missamerica4kids.org](http://www.missamerica4kids.org) and click on the "New Contestants" link to register. Then follow the step-by step instructions to create your personal contestant web page and send e-mails to relatives, friends and neighbors. You will be able to view your fund raising progress by going to your personal page.
