

Friends of the Fair Program

Show your support to the SD State Fair Park by becoming a Friend of the Fair! As a Friend of the Fair, you will be directly impacting the future of the SD State Fair Park. Money raised through the program will go directly to the South Dakota State Fair Foundation. The objective of the foundation is to raise funds for the preservation and renovation of the South Dakota State Fair Park. Foundation funds will be used on special fair park projects and to enhance the amenities on the State Fair Park.

Friends will receive a reminder letter in early June stating when grandstand tickets will be available for presale, for how long they will be available and any other necessary instructions.

The Friends of the Fair membership runs from January 1 to December 31.

To become a Friend of the Fair, simply fill out the form below and remit to: SD State Fair, Attn: Friends of Fair, 890 3rd St. SW, Huron, SD 57350. If you have questions or comments, please contact Candi Hettinger at the State Fair Office at (605) 353-7354.
