 21. **Livestock Trailer Parking:** Livestock trailer parking is being moved to Huron Continental Marketing (Bales) located west of Huron at 39763 US Hwy 14. Doing this will allow us to be able to accommodate more vehicle parking at 7th St. and Nevada Ave.
 22. **On-Grounds Parking:** On-grounds parking is prohibited without proper and appropriate credentials. Parking passes issued to campers are valid only for the campsites. They are not an appropriate credential for anywhere else. If the vehicle does not fit within the boundaries of the campsite, the vehicle must be parked off grounds.
 23. **Parking Violations:** Any vehicle found on-grounds without the proper credential for the area in which it's parked is subject to towing. There will be zero tolerance for parking violations; we will no longer be making PA announcements or giving warnings. Violators will be towed.
 24. **Fire Lanes:** For safety purposes, any vehicle blocking a fire-lane will be towed at owner's expense. There will be zero tolerance. **NO EXCEPTIONS AND WARNINGS!**
 25. **New Ticketing System:** The SD State Fair is transitioning to an electronic system at the gates for admission and parking. It's the same process that the grandstand has for tickets. Admission and parking passes will have bar codes on them that will be scanned. Parking passes will be scanned upon entry and exit from the fairgrounds. Passes are only valid for the area and terms listed on the pass. The goals for this transition is to increase efficiency and eliminate any abuse or misuse of parking and admission credentials.
 26. **Feeding/Unloading Permit:** A feeding/unloading permit may be purchased at the State Fair Administration Office or upon submission of livestock entry form for \$20 (only 1 permit per family/address allowed). This permit allows entry on the fairgrounds before 9 AM and after 6 PM to feed animals and then exit immediately. This is NOT A PARKING PERMIT and will be subject to towing if vehicle is left unattended for an extended amount of time. Permits will be scanned at gates and will only be valid during the designated hours.
