**South Dakota State Fairgrounds to Host National Red Power Round Up August 8-10**

HURON, S.D. – South Dakota Red Power Chapter 21 welcomes all International Harvester collectors, vendors, and the general public to the 2020 National Red Power Round Up to be held at the South Dakota State Fairgrounds in Huron, August 8-10. The Great Plains Tractor and Pickup Pull, presented by Titan Machinery, will kick off the National Red Power Round Up on August 7.

This year marks the 31st time that people will gather to see the history of International Harvester and agriculture-related memorabilia. Along with an impressive selection of tractors, engines, trucks, and equipment, attendees can also browse exhibits which include household appliances, milking equipment, and toy collections.

The three-day event will be fun for the whole family: live music, vendors, an auction, parade, kids' tractor maze, steak and chicken feed, and a variety of other entertainment including the Great Plains Tractor and Pickup Pull.

Tickets for the truck and tractor pull are available at [sdstatefair.com/pull](http://sdstatefair.com/pull), at the South Dakota State Fair ticket office or by calling (866) 605-3247.

For more information on the National Red Power Round Up, check out the event website at [www.redpowerroundup2020.com](http://www.redpowerroundup2020.com) or call the South Dakota State Fair Office at (605) 353-7340.

Agriculture is a major contributor to South Dakota's economy, generating \$32.5 billion in annual economic activity and employing over 132,000 South Dakotans. The South Dakota Department of Agriculture's mission is to promote, protect, and preserve South Dakota agriculture for today and tomorrow.
