DEPARTMENT 320: EDUCATION EXHIBITS

Exhibits from schoolwork produced during the 2023-2024 school year.

Arts & Education Building: Open 9 AM – 8 PM daily during the fair.

In order for entries to be processed and get the tags back to the schools in adequate time, **entries must be in by the April 12 deadline.** No exceptions!

INDIVIDUAL TEACHERS SHOULD ACT AS FIRST JUDGE AND ENTER THOSE PROJECTS THAT ARE WORTHY OF THE DISPLAY/COMPETITION AT THE STATE FAIR.

PREPARATION AND SELECTION OF EXHIBITS

- It is important that work represents schoolroom activity throughout the year.
- Individual teachers may enter from their classroom even if the total school does not participate.
- If necessary, mount with any material to make an attractive exhibit keeping in mind the building background is light in color.
- Three dimensional exhibits are encouraged.
- **You may enter up to five exhibits per class project. Please do not enter the same project for the entire class. If more than five exhibits per project are entered submissions will be disqualified.**
- All framed entries must be properly prepared for judging and exhibition with adequate hardware/weight wire to ensure safe wall display.
- **When you select art exhibits, take the building's heat and humidity into consideration; exhibits prepared with candies, salt-based clays, non-fired clay, salt, corn syrup, crackers, and dry goods etc. do not reflect the artist's talent by fair time in September.**

ENTERING EXHIBITS – OPEN JANUARY 2, DUE APRIL 12

- Starting in 2024, all entries will be done online at <https://sdsfed.fairwire.com>. Online entry instructions are included on the website, as well as a step-by-step instructional video that can be found here: <https://share.vidyard.com/watch/NTRQ4Ln8Di5HuQD48RLbrJ?>
- Upon entry or at the time exhibits are being judged, the superintendent of the Arts & Education Building has the power to determine the eligibility of the exhibit and has the power to bar in her/his best judgment any exhibit from showing if the exhibit is ineligible.

ENTRY TAGS

Computerized entry tags for each individual exhibit will be mailed out by the South Dakota State Fair upon receipt of your entry on an official education entry blank. Tags will be mailed to the person in charge or the teacher as stated on the entry blank. Mark each exhibit with student's name, school name, and address on the back of each exhibit. Use a fine print pen to print the student's name on the entry tag if not included on entry. Except for names, **do not alter the tags in any way.** New tags will not be made at the time of turning in exhibits. Artwork entered in the incorrect category will be disqualified. Secure tags to the exhibit in the upper left-hand front corner. Please make the tag even with the edge of the paper. **Claim ticket must be removed. Name should be folded under tab.**

AWARDS

Sweepstakes premiums will be made on the basis of total points:

- Blue Ribbon: 1 Point

DROP OFF/SHIPPING

- Exhibits should be shipped or delivered to the South Dakota State Fair located at 1060 3rd St. SW, Huron, 57350, so they will arrive **no later than June 7, 2024**. If delivering, call the fair office at 605.353.7340. Drop off only available Monday-Friday 8-5.
- Mount each student's work separately. If the works are mounted together, it will be considered a group project.

- If shipping, materials must be shipped in strong containers.
- Judging may take place any time after entry deadline. All entries must be in by this date so they may be judged and displayed accordingly.
- If returning via shipping, return transportation on all exhibits must be pre-paid.

INSTALLATION
