Read and Win Program sponsored by

www.midwestbath.com | 309.736.7291

The State Fair is a place to gather to see youth achievement first hand, through art projects, demonstrated talks, livestock shows, innovative creations, and much more.

In an effort to honor achievement outside of the fair, the State Fair along with sponsor, Midwest Bath, is partnering up with schools and public libraries from across the state to promote reading.

Youth in your school or library can receive free admission to the 2026 State Fair, Wednesday, September 2- Monday, September 7. The Read & Win program can supplement a current reading program or serve as the basis for a new reading program through your participation in the Read & Win program.

Don't forget to send Midwest Bath a thank you note for making this program possible! You can send it to: *Midwest Bath, Attn: Lori Clancey, 4270 27th St., Moline, IL.*

Questions? Contact Candi Briley at (605) 353-7354 or candi.briley@state.sd.us.
